Big Switch

Description

Big Switch is a table light that makes what is often a hidden element into its defining feature. Its crescent-shaped button with a ridged surface clicks down to activate. The switch and base are cast in red, yellow, blue, or black polyurethane like you would find in a skateboard wheel.

Models

BIG
10 in x 7.75 in x 11 in
(255 mm x 195 mm x 280 mm)
